Mobile: +91 7821805085

Kopargaon, Maharashtra

EDUCATION

Sanjivani College of Engineering

B. Tech in Computer Engineering; CGPA: 8.36

Kopargaon, India

June 2022 – July 2026

SKILLS SUMMARY

Programming: C++, Python

Web & AI: React.js, Flask, HTML, CSS, NLP basics

Databases & Tools: MongoDB, MySQL, Git, GitHub, VS Code

WORK EXPERIENCE

Ushai Tech Labs

Data Science Intern

Remote

Jan 2026 - Present

- Working on real-world datasets for data analysis, preprocessing, and model building.
- Implemented machine learning algorithms for predictive analysis and insights generation.
- Gained hands-on experience in data visualization and feature engineering techniques.

Infosys Springboard

Full Stack Developer Trainee (Virtual Program)

Remote

Aug 2025 – Oct 2025

- Completed an 8-week program developing **CampusEvent Hub**, a college event platform.
- Built backend services using the **MERN stack** focusing on APIs and data flow.
- Designed optimized **MongoDB schemas** for efficient storage and retrieval.

PROJECTS

FarmAI – Smart Agriculture Platform | Next.js, Node.js, MongoDB, AI | Final Year Project

- Developed a full-stack platform for crop disease detection and advisory.
- Trained model on **3000+ images** across **7+ crops**.
- Achieved **82% accuracy** and deployed results on dashboard.

Fake Product Review Detection System | AI, Flask, React

- Built system using **40,000 review dataset** for fake review detection.
- Achieved **89% accuracy** using TF-IDF + ML models.
- Developed Flask APIs and React frontend for predictions.

HACKATHON EXPERIENCE

SheInspires Hackathon | Zensar RPG Group & AWS

March 2025

- Built a Generative AI prototype using AWS PartyRock.

TechPragyan Hackathon | Amrutvahini College

Sep 2025

- Developed Smart Accommodation Finder prototype in 12 hours.

ACHIEVEMENTS & CERTIFICATIONS

IEEE Research Paper Publication | IEEE Xplore

2023

- Published paper on Blockchain in Edge & Cloud Computing (ICRTC 2023).

EXTRA CURRICULAR

NSS Volunteer | Sanjivani College of Engineering

Aug 2023 – Present

- Participated in cleanliness drives and community service.
- Assisted new students and parents during admission process.
